

Meeting Minutes

Date/Time: Thursday, May 16 (3:30-5:00pm)

Embassy Suites by Hilton Downtown with Happy Hour at Big E's Afterward

MISSION

Our mission is to provide Kent County hospitality-related businesses an opportunity to meet professionally with a common interest to better serve our industry and community while furthering the overall tourism landscape of our region.

DISCUSSION ITEMS

Welcome & Introductions: Elizabeth Naber – KCHA Vice President-3:40pm

Approval of April 2019 Minutes Jane first Rachel second

Approval of April 2019 Financials-Ed first and Jane second

Topic of Discussion: Mental Health in the Hospitality Industry w/ Bob VandePol, MSW – Executive Director of Pine Rest Christian Mental Health Services' Employee Assistance and Church Assistance programs

Pine Rest 4th largest campus

20 clinics in MI

1900 employees-78 psychiatrist, 44 doctors,43 psychologists 200 counselors with MA degree

48,000 ppl treated last year

Just opened innovated psychiatric urgent care opened 4/15 adults only currently to test kids eventually

Trends-depression #1 cause of disability in the workplace today

Usually combined with something else 1 in 5 experience depression in their lifetime

Symptoms sadness, happiness, insomnia low energy change in body weight 5% or more up or down self harm thoughts.

5 or more over a few weeks get help

Talk therapy sometimes medication

In workplace may isolate themselves, lack of energy or communication missing work

It is treatable

Suicide rates rose 25% 1999-2016 in US

MI was up 34%

124 ppl die from suicide every day in US

Extreme symptom of depression which is a disease

Depression plus anxiety and drug addiction lethal combination

Friends & Family can help by asking the right questions

Suicide prevention line available 24/7

Highest risk 40-50 white males

Lousy at asking for help, not great friends, highest chance of some sort of addiction to proud to ask for help

Drastic problem solving skills.

Drug overdose-91 ppl die of opioid overdose not just street drugs, but prescription

25% of ppl struggling with long term addiction

Overdose 4 x higher than 1999

Drug testing in workplace training suicide prevention conflict management dealing with difficult employees what to do with troubled employees

Construction workers/cops high

Teletherapy very private sessions many options

Crisis response in workplace available to help with traumatic events

Do the right thing for your people and they will respond.

Anxiety-generalized anxiety, 15% US population has panic attacks, OCD post traumatic event syndrome
