The West Michigan Sports Commission exists to foster economic development by attracting sporting events which improve our citizen's quality of life and elevates the brand of Grand Rapids.

Since our inception in 2007, we have hosted more than 860 sporting events, bringing nearly 1.5 million athletes, spectators and family members to our region, accumulating a total of \$406 million of visitor spending in our communities.

Now more than ever, we need to show the resiliency of our community and the impact that sports can have on our health, well-being and economy.

Help us show a stronger than ever RETURN TO SPORTS by supporting us through this special event.

For more information on our efforts and mission or to provide a general donation; please visit us at:
